The department of Gironde is the home to some of the world's most celebrated vineyards in the wine region of Bordeaux, such as those in Medoc west of the river Gironde and towards the more hilly area of St-Emilion. Agriculture is important to the economy and you will see grapes, kiwi fruit, strawberries and

prunes growing everywhere.

Around Bergerac many tobacco fields are found and the forests of Landes produce a large quantity of timber for flooring, roofing and cladding.

Arcachon is famous throughout France for its oysters and it is possible to see the oyster beds most days at low tide. Property in the region is well sought after and many houses are a 'villa' style reminiscent of the houses further south.
