Description:

V4 type house, in the town of Veiga de Lila in the municipality of Valpaços.

The house is located right in the center of the town, with a total area of approximately 365 m², and a gross construction area of approximately 540 m².

Currently the property is divided into two independent parts, one of which, with habitable conditions, consists of the basement with a room for storage, on the ground floor there are 2 bedrooms, a lounge, kitchen, pantry and complete sanitary installation and on the floor there are 2 bedrooms, living room, and sanitary service installation.

It should be noted that the entrance to the property is via the street where the bandstand is located, where there is a patio measuring around 190 m² that is fenced, and also has an interior patio (common) measuring around 840 m², where your Entry can be made through two different gates.

It should be noted that the other part of the article (in a state of semi-ruin), consists of a basement for storage, the ground floor and floor for housing and also a covered shed with access from inside the patio.
