Description:

We are delighted to present to you this fabulous detached villa, located in a popular area of Ciudad Quesada and close to many amenities just a 1 minute walk away! This villa does not form part of a community, but there is a Municipal swimming pool just further up the street which is free to use during the summer months - making it ideal for permanent living or for holidays alike!

The villa sits on a sunny plot, and has various seating areas both covered and uncovered. There is plenty of outside space and a jacuzzi tub in the garden. Its also possible to add off street parking should you wish, and there is also a solarium prepared with the floor laid but a staircase needs adding to finish it off.

Entering into the house you have a closed in terrace / conservatory, a cosy living room / dining / kitchen, 4 bedrooms and a family bathroom which has recently been modernised to a high standard. One of the bedrooms could easily be converted to a living area to give more living space if desired!

The property is sold partially furnished and with air conditioning units in the living room and main bedroom. Contact us today and do not miss this wonderful property in a prime location!
