Chestertons is delighted to offer this three storey townhouse on the edge of the nature reserve, Gibraltar. Offering uninterrupted views across the Bay of Gibraltar, with Africa and Spain just beyond. Peaceful, elevated, and full of natural light, it's a home designed for quiet living with a strong connection to the landscape. Unique to find a property of this size with approx. 260 sq m of living space, plus 17 sq m of terrace. High ceilings and large windows bring a sense of openness throughout. The entry level offers a generous reception room and full bathroom. The first floor is the main living area containing a kitchen, dining, and large lounge area with a working fireplace and access to a spacious front terrace. This level also includes a guest WC and a fully equipped gym, which could easily become a fifth bedroom or home office. Upstairs, you'll find a large main bedroom with an en-suite bathroom equipped with underfloor heating, and two further bedrooms. This versatile accommodation also avails a very spacious converted attic, in use as a fourth bedroom with built-in storage. Air- conditioning is available throughout the house.
