Description:

The contemporary design comprises a spacious hallway which leads you into the impressive open plan designer Symphony kitchen, dining and family area.

This room alone is enough to wow you with its abundance of cupboard space and integrated appliances included as standard. Imagine opening a bottle of wine after a long day and enjoying it in your garden room, watching the world go by through the cathedral style windows, and enjoying the breeze from the open French doors leading out to your rear garden.

Downstairs also features a separate lounge to the front of the home with a large feature window, a WC and plenty of storage space. The integral garage is accessible straight from the hallway in the main home and has a utility area within it.

On the first floor there are four double bedrooms. The primary bedroom benefits from a private en-suite and fitted wardrobes while bedroom two features a further en-suite. This floor also features a family-sized bathroom with premium sanitary ware.
