Description:

Italy. Cortina d'Ampezzo. Historic hotel with 122 rooms.

The historic hotel was born in the early 1900s from an ambitious project of two young spouses. From the very beginning it represented and continues to be a true symbol of hotel hospitality in the Dolomites.

It is a place for relaxation and business meetings that can hardly be erased from memory. The walls of this prestigious house are home to stories of famous people, love and passion, and curious legends.

It is located in a beautiful valley on top of a hill and is surrounded by a beautiful natural park.

The special location in a postcard-perfect setting is one of its characteristic elements. The center of Cortina is only 1.5 km away and a free shuttle runs regularly every 30 minutes.

The complex owes its charm to the fusion of different elements: five-star hospitality with all its rituals is a deeply rooted value, its history of more than a century, human talent, the skilful use of technical means and the incomparable harmony of nature.

It is a true oasis of peace, which is now part of the historical memory of Cortina d'Ampezzo.

It has become, over the decades, a symbol of hotel hospitality in the Dolomites, welcoming yesterday as today the most elite and demanding outskirts of the tourist market.
