The Palms Residences is a new stylish offplan development in Estepona

On the west side of Estepona, this low-density, high-impact development brings 78 - 1, 2 and 3 bedroom luxury apartments to life with vision and care.

The Palms at Estepona is not simply a place to live. It's a lifestyle ecosystem. From sunrise swims in your private pool to sunset walks on the coastal path, this is not just a home. It's a statement.

Where form finds feeling

The apartments embrace the environment. Sculptural yet subtle. Curved terraces echo the movement of the coast and even the communal zones are grounded in nature, with green roofs, layered foliage and the filtered shade of palms.

There's a softness to the interiors at The Palms at Estepona. A restrained palette of neutral tones. Natural textures of wood and stone. Spaces that breathe and flow, with floor to ceiling glass doors that blur the line between inside and out.

Modern mindful living

The Palms at Estepona offers resort-level amenities, discretely hidden within the natural landscape. A spa tucked behind flowering stone walls. A serene co-working space with garden views and filtered daylight. A fitness suite where glass walls frame trees, not treadmills.
