The department of Aude is in the Languedoc-Roussillon region located in the south of France. It is surrounded by the Pyrenees-Orientales, Ariege, Tarn and Herault departments.

French property buyers look in this region due to its numerous and varied landscapes as well as the rich cultural heritage, Aude has become an ever popular destination recently due to the gastronomy of the region, as well as its many festivals and dramatic scenery.

Carcassonne is the cultural heart of the Aude department, and all through the region you will find lovely properties either to live in or to use as holiday homes. Aude is an agricultural area dominated by wine-growing in the east and the climate is that of the Mediterranean so summers are hot and dry and winters are mild and humid.

It is the perfect location if you are looking for a quiet life and to be in harmony with your surroundings.
