### Thoughtful Design and Modern Living Spaces

This home's accommodation is deceptively spacious and beautifully presented, designed for both comfort and functionality. Upon entering, the L-shaped entrance hallway with its tiled floor and feature vaulted ceiling creates a grand first impression. A skylight and recessed lighting fill the space with natural light, leading you to the main living areas through sliding doors with glazed insets. The lounge area, with its own vaulted ceiling and a stunning picture window, is the perfect place to relax while soaking in the panoramic lake views.

The kitchen/dining area is the heart of the home, a magnificent space with a vaulted ceiling and a striking feature wall of exposed brick. This area is a culinary dream, equipped with high-specification wall and base units, a large worktop with a tiled splashback, and integrated appliances, including a Hoover induction hob with an extractor, a Cook & Lewis oven and microwave, an integrated Beko dishwasher, and a fridge-freezer. Dual-aspect windows and laminate flooring complete this inviting space. The property also includes a practical utility room, which is tiled and plumbed for a washing machine and dryer, and even includes a unique dog shower and WC, with a door providing convenient access to the rear garden.

### Luxurious Bedrooms and Versatile Accommodation

The bungalow features three beautifully appointed bedrooms, all of which are en-suite, providing privacy and comfort for residents and guests alike. Bedroom 1 is a spacious retreat with stunning views of the lake, laminate flooring, and a walk-in wardrobe with bespoke storage. Bedrooms 2 and 3 both feature laminate flooring, TV points, and French doors that open to the rear of the property. Their en-suites are equally well-equipped with modern fixtures, tiled floors, and monsoon showers.

Upstairs, the home offers even more versatility with a landing, two attic rooms, and another en-suite. The upstairs landing is illuminated by a skylight and recessed lighting. The attic rooms are ideal for use as

### About the Area

The Blessington area, located in County Wicklow, is a region of stunning natural beauty and recreational opportunities. It is most famous for the Blessington Lakes, a man-made reservoir created to supply water to Dublin. The lakes have since become a hub for water sports and a scenic backdrop for the surrounding countryside. The area offers an abundance of outdoor activities, including the Blessington Greenway, a popular walking and cycling trail that runs along the lakeshore, and access to the wider Wicklow Mountains National Park, known for its hiking trails and dramatic scenery.

Beyond the natural landscape, the area is rich in history and culture. Nearby Russborough House is one of Ireland's most beautiful Palladian mansions, featuring an impressive art collection and sprawling parklands that are open to the public. For those seeking local charm, the villages of Ballyknockan and Lacken offer a taste of authentic rural life. The larger town of Blessington provides a comprehensive range of amenities, from shops and schools to pubs and restaurants, ensuring that residents have everything they need within a short drive. The location is an ideal blend of peaceful, country living and accessibility to urban conveniences.

For international travelers, the most convenient point of entry is Dublin Airport (DUB). It is Ireland's busiest and largest airport, handling both domestic and international flights from a wide range of global destinations. The drive from Dublin Airport to Blessington is a manageable one, typically taking around 35-45 minutes depending on traffic. This proximity makes the area an attractive option for those who want to live in a serene, natural environment while still having easy access to a major international travel

---

hub.

While Dublin Airport is the primary and most accessible airport, other airports in Ireland are also options, though they are much farther away. Cork Airport (ORK) and Shannon Airport (SNN) are the next two largest airports in the country, but they are located on the opposite sides of Ireland, making the journey to Blessington significantly longer. For this reason, renting a car directly from Dublin Airport is the most practical and efficient way to travel to and from the area, providing the freedom to explore the beautiful surrounding region at your leisure.
