Introducing Casa de Los Suenos — a breathtaking ocean-view estate nestled in the heart of Tamarindo's most prestigious gated community, El Tesoro de Tamarindo. Just 300 meters from the golden sands of Tamarindo Beach and Las Baulas National Marine Park, this newly constructed architectural gem delivers the ultimate luxury lifestyle in Costa Rica's top destination for coastal living, surfing, and fine dining.

Designed by renowned architect Sebastien Verniers, this modern 5-bedroom, 6.5-bathroom villa blends clean lines, natural textures, and expansive indoor-outdoor spaces to create a serene, sophisticated retreat. Wake up to white-water ocean views, enjoy morning coffee on your private balcony overlooking Playa

Grande, and take in unforgettable sunsets from your infinity-edge pool and jacuzzi—surrounded by lush, tropical landscaping and rare 'no-build' green zones that provide additional privacy and a sanctuary for local wildlife.

The layout of Casa de Los Suenos is as functional as it is stunning. Each bedroom includes a private ensuite bathroom and direct outdoor access to the pool terrace or private balconies. The primary suite boasts dual walk-in closets, dual vanities, a spa-like bath, and unobstructed ocean views—visible even from the bathtub. The heart of the home is the expansive great room, where oversized glass doors blur the line between interior and exterior. The chef's kitchen is a standout, with professional stainless steel appliances, eco-conscious custom cabinetry, and a massive center island for entertaining or casual dining.

Whether you're hosting guests or seeking a tranquil getaway, the property's outdoor living spaces are designed to impress. Relax by the infinity pool or fire pit, grill in the covered BBQ area, or enjoy an ocean-view dinner under the stars. With a two-car garage, dedicated laundry room, and ample storage for surfboards, bikes, and UTVs, every detail has been considered for luxury, comfort, and convenience.

El Tesoro de Tamarindo is known for its high-end infrastructure, 24/7 guarded entrance, underground utilities, and protective community regulations—ensuring privacy, security, and long-term value. Homes here range from \$3M to \$20M, making this one of the most exclusive residential zones in all of Guanacaste.

Just minutes from over 80 restaurants, shops, boutiques, medical clinics, and the legendary surf breaks of Tamarindo, Casa de Los Suenos offers a lifestyle of unmatched elegance, adventure, and connection to nature—all with the convenience of being only one hour from Guanacaste International Airport (LIR).
