Description:

We are delighted to be able to offer this former pastry shop cafeteria in a busy residential area close to the Lagos Hospital, Júlio Dantas High School and large Supermarket and retail centre on the doorstep. The centre of town and Porto do Mós beach are nearby.

The space is divided into a well decorated interior, lovely sunny terrace and a large production kitchen, the latter still with a huge amount of professional catering equipment.

As we have come to learn in recent times if the concept is good and the offering is high quality then the customers will seek you out. There are many examples of this all over Lagos. There is a lot of potential here with plenty of opportunity for a profitable business.

This versatile property is ready and waiting for a new owner. There is very little to do to get it up and running. With an excellent location and competitive asking price this is bound to prove popular so, what are you waiting for make your appointment today!
