Description:

In the heart of Bergamo Alta, this prestigious apartment offers 270 sqm of refined interiors across two levels, enhanced by a spectacular 220-sqm private terrace. Located on the first floor of an award-winning architectural complex by Natalini, the residence seamlessly blends history, art and modern design within the medieval walls of one of Italy's most evocative towns. Large glass surfaces, natural materials and advanced systems ensure both elegance and comfort. The main level opens with a study corner leading to a bright living area with a fireplace, dining space and kitchen, all connected to the panoramic terrace — a hanging garden overlooking Bergamo's hills, perfect for dining and relaxation. This floor also includes a guest bathroom, laundry and service rooms. The upper level houses the master suite with a private living room, walk-in wardrobe and striking bathroom, plus a second en-suite bedroom with a balcony and a versatile fitness area with a sauna. Framed by nature and silence, yet steps from cafés, boutiques and cultural treasures, this unique apartment combines panoramic views, privacy and contemporary luxury in the most authentic part of Bergamo Alta.
