Discover a unique opportunity to own a mobile home in one of Croatia's most sought-after coastal locations. This offering presents a fully furnished and equipped two-bedroom, two-bathroom mobile home, known as Villa Renata, located within the prestigious Camp Miran in Pirovac, at Zagrebačka ulica. This isn't a traditional real estate purchase; it's an acquisition of a high-quality mobile home on a leased plot, providing all the benefits of a permanent holiday residence without the complexities of land ownership.

The Property and Its Layout

The mobile home itself is a testament to modern design and comfort, spanning a total of 40 square meters. The layout is thoughtfully arranged to maximize space and functionality, comprising three main rooms. The living area is an open-plan space that seamlessly combines a comfortable lounge with a fully equipped kitchenette, creating a social hub for family and guests. This central area is bright and airy, thanks to its direct connection to the expansive outdoor terrace.

The sleeping quarters consist of two well-appointed bedrooms, each designed to offer a private and tranquil space. The real luxury lies in the two full bathrooms, which are a rare find in mobile homes of this type. Unlike standard prefabricated units, both bathrooms are brick-built, a feature that enhances durability and provides a much more solid, residential feel compared to the typical plastic showers and fittings. This attention to detail speaks volumes about the quality and permanence of the build, making it a truly exceptional offering.

Unmatched Outdoor Living and Location

The appeal of this property extends far beyond its interior. The mobile home is complemented by a generously sized 28-square-meter terrace, which acts as a natural extension of the living space. This is an ideal spot for al fresco dining, morning coffee, or simply relaxing while soaking in the surroundings. What sets this property apart, however, is the additional rooftop terrace, a prime location for enjoying the Mediterranean sun and spectacular views.

Situated on the beachfront, Villa Renata offers unparalleled access to the sea. From the terrace and living areas, residents and guests are treated to stunning, unobstructed sea views, with the gentle sound of waves providing a constant backdrop. The location also overlooks the camp's communal pool, adding to the scenic appeal and convenience. This prime beachfront position places you mere steps from the water and all the recreational activities it offers.

Camp Miran: A Lifestyle, Not Just a Location

Ownership of this mobile home means becoming part of the vibrant community within Camp Miran. The property itself is located on a leased plot, with an annual lease fee of approximately 8000 EUR. This fee is comprehensive, covering all essential utilities, including water, electricity, and sewage, simplifying the living experience and eliminating the hassle of managing multiple bills. The lease contract for the plot will be transferred to the new owner, guaranteeing a seamless transition.

The camp itself is a well-maintained and family-friendly environment. While the house does not have a

private pool, a communal pool is available for all guests. The real highlight, however, is the direct access to the sea, which serves as a natural, expansive swimming and recreation area. The camp's amenities, combined with the property's prime location, offer a perfect balance of privacy and community.
