Description:

Seize the chance to own the final villa in the exclusive Encosta da Luz complex, a luxurious residential development just 1 km from the pristine beaches of Praia da Luz. Designed by the award-winning architect Mario Martins, this stunning property blends modern elegance with sustainability, offering a total construction area of  $448.85\text{m}^2$  on a generous  $989\text{m}^2$  plot.

Crafted to the highest standards, this villa is built with cutting-edge thermal and acoustic insulation, achieving an impressive A+ energy rating. This makes the villa 25% more energy-efficient than comparable properties, ensuring lower energy costs and a reduced environmental footprint.

The villa showcases innovative steel frame construction and eco-friendly materials, emphasizing sustainability at every turn. Natural materials, eco-friendly paint, a rainwater retention tank, and minimal landscaping featuring native plants that require little watering all contribute to its eco-friendly design.

The first floor boasts a spacious open-plan living, dining, and kitchen area, bathed in natural light and offering breathtaking views of Praia da Luz and the iconic "Black Rock". The master bedroom, complete with an en-suite bathroom, provides a luxurious retreat, while an additional bedroom or office space offers direct access to the serene pool area.
