More about the location: Brac is the largest island in the region of Dalmatia and the third biggest island from the Adriatic coast. It is located between Split and Hvar and it is very well connected with the mainland. The most common means of transport to reach the island is the ferry, catamaran, private boats and UBER boats. Brac is one of the sunniest islands with 2600 hours of sun in a year. The visitors are glad to visit the island for its wonderful beaches, unique nature and numerous monuments.
