Description:

High-Spec Apartments, Duplexes, and Penthouses in Manchester City Centre

Set across three acres, the Waterhouse Gardens features 556 high-spec homes spread across five distinctive buildings, including a landmark 26-storey tower. The residential offering includes a range of spacious one and two bedroom apartments alongside a limited collection of luxurious three-bedroom penthouses with outdoor terraces, each designed to the highest standard.

At the heart of the scheme lies a vision for connected community living. Residents will enjoy access to a private clubhouse offering premium services and wellness facilities, while the surrounding beautifully landscaped public spaces provide a peaceful green retreat in the midst of the city.

Complementing the homes is 30,000 sq ft of commercial space, soon to house a curated mix of boutique traders, independent restaurants, cafes, bars, and modern office spaces. This lively avenue will form a vibrant new destination — a place to live, work, and socialise.
