Description:

Newly built villa located in San Miguel de Salinas Spain.

This beautiful villa features 3 bedrooms and 2 bathrooms, with the option for a pool and parking on the private plot. Moreover, this project comes with pre-installation of air conditioning, fitted wardrobes, aerothermal heat pump, and more.

These villas are single-storey and built on very spacious plots, with attention to detail and quality. What makes this location really special is the quiet surroundings away from mass tourism. Nevertheless, shops, bars, restaurants and other amenities are within walking distance.

San Miguel de Salinas offers a unique blend of traditional Spanish culture and modern amenities, with cosy squares and authentic tapas bars. For nature lovers, there are numerous opportunities for hiking, cycling and enjoying the beautiful countryside.

Located in the south of Alicante province, between the cities of Torrevieja and Murcia, San Miguel de Salinas is located on a hill (75 metres above sea level), providing panoramic views of the salt lakes of La Mata and Torrevieja from many places. Like many destinations on the Costa Blanca, many western and northern Europeans reside here. The population has therefore tripled in the past 20 years. Despite this growth, San Miguel de Salinas still retains a very traditional Spanish atmosphere that sets it apart from many other cities and towns.
