More about the location: Makarska is a town in Dalmatia which is located under the mountain of Biokovo and it counts 15000 inhabitants. Thanks to its geographical position, the town has a very favourable climate with more than 2750 hours of sunlight a year. It is popular for its beautiful sand and pebble beach long 2km. It also has a protected port which once was the trade centre while nowadays it's a popular spot for touristic yachts, sailboats and trip boats. Makarska has an excellent ferry connection to the island Brac. Countless gastronomic delicacies can be tasted in restaurants of the city centre. Moreover, it is renowned for the medical centre named Biokovka with covered swimming pools and modern gym with complete physical therapy treatment.
