Rijeka, City Centre – Three-Bedroom Flat Ready to Move In

In the very heart of Rijeka, yet pleasantly removed from the city bustle, lies this spacious and bright three-bedroom flat with a total area of 67 m².

The flat consists of an entrance hall, a large bedroom, two smaller rooms, a kitchen with dining area, bathroom, separate toilet, and a storage room. Thanks to its southern orientation, the interior is filled with natural light, while the layout ensures functionality and comfort. The property requires no renovation – everything is well-maintained, fully equipped, and ready for immediate occupancy.

A key advantage of this flat is its micro-location – set in the city centre with a car park in front of the building, and all amenities such as shops, schools, restaurants, and cultural institutions just a short walk away. Living in the centre of Rijeka offers a unique blend of urban convenience and practicality – there is hardly any need for a car.

With its attractive location and functional layout, this property is an excellent opportunity both for family living and for investment in tourist or long-term rental.
