Description:

Located in the peaceful yet strategic area of Buduk, this 7 are (700 sqm) plot of land offers an excellent opportunity for long-term investment. Situated in the yellow zone, the property is ready to be developed, whether for residential projects, business ventures, or other creative opportunities. Its prime zoning status makes it a flexible choice for investors looking to maximize future value.

The land is surrounded by a calm atmosphere, yet it remains close to essential facilities and easy access to nearby hotspots. With rice fields in the surrounding area, the location combines a sense of natural beauty with practicality, making it highly appealing for various development concepts. Whether for building villas, boutique accommodations, or other property businesses, this land provides the right foundation.

Buduk is steadily growing as an attractive destination for property investment, balancing tranquility with accessibility. This land represents not only a secure long-term asset but also a chance to create a unique project in one of Bali's up-and-coming areas.
