The 320 m2 main villa is designed with comfort and style in mind. It features three large bedrooms, each with a private en-suite bathroom, ensuring maximum comfort and privacy. The master suite, located on the first floor, offers a tranquil escape, while the other two bedrooms on the ground floor provide easy access to the home's common areas. A guest toilet adds extra convenience. The beautifully designed living and dining area is styled with a sophisticated French touch, creating a perfect space for entertaining guests. A spacious terrace and a large laundry-pantry area add practicality and charm to the home.

In addition to the main villa, the property includes a 62 m2 independent guest house. This private space features one bedroom and a bathroom, providing a comfortable stay for visitors. A fully equipped kitchen and dining area make it a self-sufficient living space, while a private terrace offers a relaxing outdoor retreat. This guest house presents an excellent rental opportunity, whether for Airbnb or long-term tenants.

The outdoor areas are just as impressive as the interiors, offering a peaceful setting surrounded by lush greenery. A 24 m2 swimming pool provides the perfect place to cool off, while 120 m2 of terrace space offers plenty of room for outdoor lounging and dining. A rancho adds to the property's charm, creating an ideal space for barbecues, entertaining, or simply relaxing in the shade. The beautifully maintained tropical garden is enhanced with night lighting to highlight its natural beauty. A majestic century-old Guanacaste tree, a symbol of Costa Rica, provides shade and a unique touch of nature. The property is secured with an electric gate and sits on a flat 1,423 m2 plot, with additional space for future construction or landscaping projects.
