Description:

Built in 2017 and tucked away in a quiet, private location, Bobbin Crescent is a superb three-bedroom semi-detached home that perfectly combines contemporary style with everyday practicality. Designed with modern living in mind, it's ideal for first-time buyers, young families or professionals seeking space, convenience and great quality in one of Darlington's most accessible locations.

The entrance hall sets a welcoming tone, leading into a bright and comfortable living room, a perfect space for relaxing or entertaining. The kitchen and dining area sits to the rear, fitted with modern cabinetry, integrated cooking appliances and French doors that open directly onto the garden, creating a seamless indoor-outdoor connection. A downstairs cloakroom and handy understairs storage add to the home's practical design.

Upstairs, the principal bedroom enjoys fitted wardrobes and a stylish en-suite shower room, while two further bedrooms offer flexibility for family life, guests or home working. The main bathroom is finished with clean lines and contemporary fittings, making it both functional and elegant.

Outside, the front garden and driveway provide parking for two cars, while the rear garden has been designed for easy maintenance, with artificial lawn, decking and patio space ideal for outdoor dining and weekend relaxation.

The location is one of convenience and connection. Situated close to both Morton Park and Lingfield Point, residents benefit from nearby shops, gyms and cafes, while Darlington town centre is just a short drive away. Excellent transport links include quick access to the A66 and A1(M), and Darlington's mainline railway station offers direct services to London, York, Newcastle and Edinburgh. Families will appreciate the choice of highly regarded local schools and the abundance of green spaces nearby.

Offering a blend of quality, comfort and lifestyle appeal, Bobbin Crescent represents an ideal first or next step on the property ladder; its a home where everything has been considered and where life can be enjoyed from day one.
