Listing details

Property for: Sale
Price: EUR 365,000

Location

Country: Spain
State/Region/Province: Valencia
City: Alicante
Address: Pinós (el)/Pinoso
Posted: Sep 20, 2025

Description:

It offers a house of 125 m² built, distributed according to plan, with large porches that provide functionality and comfort to the design. The property is located on a plot of at least 10,000 m², with electricity supply already available on it.

It has a geotechnical study carried out and has a drinking water system by means of an approved 10,000-litre underground tank, with a pump to drive into the house. The plot is delivered levelled, compacted and with gravel or gravel up to 10 meters around the house.

The perimeter of 3,000 m² around the house is completely fenced. The main entrance has an automatic exterior door located about 20-25 meters from the house. It also includes an approved septic tank, located at the same approximate distance.

The kitchen is delivered furnished, not including appliances, which are at the client's choice. The bathrooms are also delivered furnished, according to budget, not including glass or screens. The pre-installation of air conditioning and ducted heating has been planned; The machine is not included.

All three bedrooms have balconies equipped with blinds and mosquito nets. The property includes an 8x4 meter swimming pool, ideal for enjoying the natural environment in complete privacy.

For more information on the quality report, consult the detailed budget.
