Black Hill Boutique is a new elegant residential project combining modern style, comfort and functionality. The compact building with expressive architecture is located in zone "B" on Alexandr Georgiev-Kojakafaliyata Boulevard, next to a bowling alley, cafes, schools and green parks.

The complex has a total of 14 apartments — 8 two-bedroom, 5 three-bedroom and 1 four-bedroom, which provides an atmosphere of privacy and exclusivity. In the underground part there is a parking lot and storerooms, on the first level there are garages and open spaces for cars.

Only high-quality and energy-efficient materials are used in the construction, and the design is made in a concise, elegant style.

Black Hill Boutique is a house where comfort meets aesthetics, and urban dynamics are combined with privacy and harmony.
