Description:
Location: Istarska županija, Labin, Labin.

We are selling an apartment in the center of Labin. The location of this apartment is fantastic, the strict center of the city of Labin and everything is within walking distance, school, health center, restaurants, bars, playgrounds... everything that the city center offers its residents. The apartment is located on the first floor of a small residential building with only 8 apartments. The layout of the rooms is very organized so that from the hallway on the left side there is a sleeping area with 2 bedrooms, while on the right side there is a bathroom, kitchen and dining room. One bedroom also has an exit to the balcony with a great view of the old town of Labin. The apartment is 51 square meters, which makes it suitable for both living and renting, whether for tourists or for workers. A certain investment is required in the apartment because nothing has been done for a very long time, but again, taking into account its location, view and the fact that it also has its own garden that you can use as a vegetable garden, flower garden or as a relaxation area, it is worth it. Contact us today so that you can enjoy your new property tomorrow.
