This is the perfect sized house located on a wide street on the lower part of the old town with easy parking and walking to amenities .

The home has had a spruce up in recent times making it colourful and attractive yet still maintaining a retro feel .

The facade is typical of Olvera homes with a large bay window and front door on the ground floor and a Juliet balcony above .

Entering from the street you have a tiled vestibule and double doors open into the good sized lounge room , with space for lounging and dining .

Then it's on into the simple but perfectly useable kitchen with lower and upper cabinets, theres a gas hob , a sink and a free standing fridge,

A large original Crittle style window over looks the patio from the kitchen the patio tiling is very retro and attractive , with room for a bistro table and chairs the patio is a cute outside space for coffee and breakfast .

Across the patio is a room which traditionally would have been used as a large pantry or storage space but has been used more recently as an extra bedroom .

On the first floor theres a very spacious double bedroom to the front with Juliet balcony

A central landing space which could become an extra lounge or guest space or maybe you'd wish to add another bathroom here .

The second bedroom is also a double of good size and gives access to a the bathroom via a covered walkway that over looks the patio and a large shelved linen storage .This bathroom also has charming retro tiling , it is bright , clean and simple with over bath shower , large sink , a loo and a bidet .

On the top level there is an area of under roof storage and a room which doubles as laundry space and a terrace lounge , double glass doors lead out from here on to the terrace which has some nice views over roof tops to the mountains and up at the emblematic Church and castle .

This is an ideal part or full time home that can be lived in straight away and give you time to make it yours with some upgrades over time .
