Description:

Located in the prestigious Vale de Milho Village Resort just a short driving distance to Carvoeiro, Centianes Beach and all amenities, this modern fully furnished and equipped two-bedroom semi-detached property offers a blend of comfort, privacy and investment potential. With a private pool, landscaped garden and a south-west orientation, the property is designed for relaxed holiday living in one of the Algarves most sought-after resort settings. Carvoeiros beaches, restaurants and golf courses are all close by, adding to the property's rental appeal.

The ground floor features an open-plan living and dining area with direct access to the terrace, pool and garden, creating an inviting indoor-outdoor flow. A modern, fully fitted kitchen is conveniently located next to the main living spaces, while a guest bathroom completes this level.

On the first floor, the villa offers two en-suite bedrooms. The spacious master suite opens onto a private terrace overlooking the resort gardens and lake, while the second bedroom benefits from built-in wardrobes and a bright outlook. This functional layout ensures comfort for owners and guests alike.

The basement level is currently an open area, giving future owners the option to create additional private

spaces such as storage, laundry or a hobby room. As part of Vale de Milho Village, residents benefit from reception service, landscaped communal gardens and a secured resort environment. With its modern finishes, excellent location and strong rental potential, this villa is a prime choice for those seeking both a lifestyle property and a sound investment.
