Description:

Rural location with no shops, 10 minutes from Laurens and Autignac, 25 minutes from Beziers and 30 minutes from the beaches and Beziers airport.

Set in a rural location steeped in history, this charming medieval property is part of a former 13th century sheepfold, to which a tower was added in the 20th century. With a total living area of approximately 310 m2, the property comprises a main house of 210 m2 (offering 3 to 4 bedrooms, a 55 m2 courtyard, and a 32 m2 terrace with lovely unobstructed views) and a separate 100 m2 gite (currently rented out, ideal for additional rental income). The property is set on 7447 m2 of land, which also includes a working wine cellar, currently rented out, adding further potential to the property. Work required: renovation of the heating system, bringing the septic tank up to standard, and general refurbishment of the house. An authentic and unique property, ideal for lovers of old buildings and renovation projects in a wine-growing environment.
