Description:

A stunning one-bedroom apartment with panoramic views is for sale in one of Budapest's most sought-after and exclusive locations — on József Nádor Square, which has recently undergone a complete renovation, perfectly combining prestige and quality.

With a total floor area of 70 sqm, the apartment offers an ideal layout: a bright living room with a dining area, a separate modern and fully equipped kitchen, a spacious bathroom with a bathtub, a guest toilet, and a quiet, generously sized bedroom. In addition, there are several custom-made built-in storage solutions throughout. Every square meter of the apartment has been carefully planned, and the design team paid exceptional attention to every detail.

The property showcases outstanding quality, featuring authentic plaster moldings, solid oak parquet flooring, electric shutters, Daikin air-conditioning units, and designer furniture.

The apartment is fully furnished and move-in ready.

It is also an excellent investment opportunity, ideal both as a private residence or for rental purposes. What makes it special is that it offers the same premium standard as larger downtown luxury apartments, but in a more compact size.

The apartment is located directly next to the elevator, accessed from a closed staircase. The common areas have been completely renovated, creating the atmosphere of a boutique hotel as soon as you enter

the building.

A neighboring 38 sqm property is also available and can be purchased together if desired.
