Description:

Perfect one-bedroom apartment with panoramic views for sale in one of Budapest's most prestigious locations: this exceptional apartment is situated on the fully renovated József Nádor Square — one of Budapest's most sought-after and exclusive addresses, where prime location meets outstanding quality.

The floor plan has been thoughtfully designed to maximize the use of space. The apartment features a separate bedroom, a bright living room, a kitchen, and a well-proportioned bathroom. Every square meter was carefully planned by a renowned design team to create a highly functional home with ample built-in storage solutions.

The finishes and materials are of the highest quality: genuine plaster moldings, solid oak parquet flooring, electric shutters, Daikin air-conditioning units, and premium designer furniture throughout. The apartment is fully furnished and move-in ready.

It also represents an excellent investment opportunity, ideal both for personal use and for rental purposes. This property offers the same level of luxury and craftsmanship found in larger downtown residences — but in a more compact, efficient layout.

The apartment is conveniently located right next to the elevator, opening from a beautifully refurbished, enclosed staircase. The common areas have also been fully renovated, giving the impression of entering a boutique hotel.

The neighboring 70 sqm apartment is also available for sale and can be purchased together upon request.
