Description:

International Cuisine Restaurant for Sale in a Resort with a Prime Location

Excellent opportunity to acquire an international cuisine restaurant located in a prestigious resort — one of the most charming and popular in Carvoeiro.

This resort is known for its welcoming atmosphere, with a central square decorated with landscaped gardens, an ornamental fountain, and a well-curated selection of restaurants and bars.

The interior space consists of a spacious and cozy dining room, bar area, customer restrooms (male and female), an industrial kitchen equipped with stainless steel counters and utensils, a pantry, and a large storage room with an independent entrance (ideal for deliveries), plus two bathrooms with showers for staff use.

The restaurant has a valid license and is being sold fully furnished and equipped — all included in the sale price.

It occupies a single-story building at ground level, with easy street access and on-site parking.

During the summer, the two terraces — one of them covered — are particularly appreciated by customers, offering a pleasant view over the garden. In winter, the warm and well-decorated interior provides a comfortable atmosphere for enjoying meals with family or friends.

This is an excellent investment opportunity in a turnkey business with a strategic location and strong profitability potential.

Ideal for those looking to start or expand a restaurant business in one of the most sought-after areas of the Algarve.

Just a 5-minute walk from the center and the beach of Carvoeiro village, this location is perfect for attracting both residents and tourists all year round.
