Description:

A rare opportunity to own a secure, private garage in a well-kept residential area of Tavira, just a short walk from the town centre. Measuring 28m², this underground unit is located within a modern apartment building known for its excellent maintenance standards and convenient proximity to local amenities.

The garage is situated inside an access-controlled underground parking area, providing complete privacy and security. Entry to the parking level is via a remote-operated gate, while the individual garage itself features an automated door with its own remote access, ensuring easy entry and exit at any time of day.

This spacious unit offers enough room for one large vehicle with additional space for storage ideal for homeowners, investors, or anyone seeking extra secure space in the heart of Tavira. With private garages increasingly difficult to find in the area, this property stands out as both practical and versatile.

Perfect as a personal parking solution, storage facility, or a buy-to-let investment with strong rental potential. A valuable addition to any property portfolio in one of the Algarves most desirable coastal towns.

Features and fittings mentioned are subject to agreement and verification between the vendor and the buyer.
