With its foundation already laid and full planning permission approved, Happy Site is development-ready. A geotechnical survey has been completed, ensuring a solid start for your vision. Why Derricks, St. James?

This stretch of coastline is one of the most sought-after on the island, known for its exclusivity, privacy, and world-class lifestyle. Derricks is ideally located between Holetown and Bridgetown, placing you minutes from fine dining, luxury shopping, golf, and vibrant island culture.

The site itself enjoys direct frontage onto a calm, picturesque bay. While all beaches in Barbados are public by law, this particular cove benefits from naturally limited access points, allowing homeowners and guests to enjoy a more tranquil and intimate seaside experience.
