RIJEKA, BRAJDA – Two-bedroom apartment with a balcony and sea view, ideal for students

Brajda is one of the most sought-after neighborhoods for living and renting in Rijeka – just a step away from the city center, train and bus stations, and in the immediate vicinity of university faculties, schools, shops and other facilities that make everyday life easier. Precisely because of this excellent location, an apartment in Brajda is the perfect choice for students, young couples or employees who want to live close to everything they need, and yet have the peace and comfort of home.

The apartment is located on the upper floor of a well-maintained building with a renovated roof and facade. It consists of two spacious rooms, a hallway, a kitchen, a bathroom and a practical storage room, while the balcony with a sea view provides the perfect place for rest and relaxation.

Thanks to its exceptional location and functional layout, this apartment offers a pleasant stay and everything you need for a quality student or working life. There are bus stops nearby that connect Brajda with the rest of the city, which further facilitates mobility without the need for a car.

The apartment is available for immediate occupancy, and the peaceful surroundings, proximity to the university and sea view make it an excellent opportunity for long-term rental.

For additional information or to arrange a viewing, please contact me with confidence, it will be my pleasure to help you make your dreams come true!
