Castel San Pietro Terme, located between Bologna and Imola, is one of the most charming spa towns in Emilia-Romagna. The town combines the feel-good flair of a thermal center with the lively atmosphere of a typical Italian small town. It is famous for its thermal springs, which have been valued for their healing properties since the 19th century, as well as for its well-tended parks and elegant promenades. The historic center with its arcades, small boutiques and cozy cafés invites you to stroll around. Numerous events - from culinary festivals to music and culture weeks - reflect the lively local tradition. Surrounded by rolling hills, vineyards and oak forests, the area offers ideal conditions for hiking, cycling and golf - the 18-hole golf course at Castel San Pietro is one of the most beautiful in the region. The town also benefits from its excellent location: Bologna can be reached in just 30 minutes, as can the Adriatic coast and cultural cities such as Ravenna and Ferrara.

Castel San Pietro Terme stands for quality of life, nature and relaxation, embedded in the rich culture and hospitality of Emilia-Romagna - a place where you can enjoy the Italian way of life at its best.
