Description:

This contemporary, 4-bedroom, brand new villa located in Vilamoura offers a luxury living experience with its private pool.

Located in a central and privileged location, the house is in a quiet area, but close to the Marina, beaches and golf courses.

The contemporary-style construction stands out for its use of wood.

The living room and kitchen form an open space, with the kitchen fully equipped with high-end appliances.

The living room opens completely to the outside, providing direct access to the covered terrace, the pool and the garden.

The villa has a bedroom and a bathroom on the ground floor.

On the first floor, there are 3 en-suite bedrooms, with the master suite facing the pool and garden.

The basement of the house is multifunctional, containing the engine room, storage space, laundry room and a large space that can be used as a cinema room, games room or for any other purpose.

General features:

- Anti-seismic structure, with architectural elements in exposed concrete.
- Wooden decking floors.
- Partitions in plasterboard with thermal and acoustic insulation and two boards per face.
- False ceilings in plasterboard with thermal and acoustic insulation.
