It also has a conference room, which makes it the perfect hotel for business events.

Ponte de Lima is one of the most charming villages in Portugal, located in the Alto Minho area, combining history, tradition and impressive natural beauty. On the banks of the Lima River, the village is known for its medieval bridge which, together with the Roman bridge, offers a fairytale setting over the river's water mirror. This setting is even more enhanced by the riverside park, where flower gardens and

peaceful walks invite contemplation and relaxation.

Rich in cultural traditions, Ponte de Lima is the birthplace of the famous Vinho Verde, providing visitors with the chance to try unique and fresh wines, grown in the region's vineyards. Furthermore, the village is the stage for traditional events and lively festivals, such as Feiras Novas, which attract crowds with their mix of folklore, music and typical cuisine, offering an authentic Portuguese experience.

Architecturally, Ponte de Lima is a true open-air museum, with cobblestone streets lined with mansions, old churches and small squares adorned with fountains. The village still preserves medieval remains and Renaissance buildings, each with a unique story to tell. For those looking for an authentic and picturesque experience, Ponte de Lima is a highly attractive tourist and commercial destination, combining the charm of tradition with the richness of Portuguese cultural heritage.

This Boutique Hotel is 50 minutes from Porto airport (OPO) and 40 minutes from Vigo airport (VGO); 30 minutes from important Portuguese cities such as Braga or Viana do Castelo, making it a place that attracts thousands of visitors annually, making it a safe investment!
