A large open-plan living/dining area, fully fitted kitchen, and private garden area and shady seating area directly from the kitchen and totally private from the guests. Attached Gîte: Perfect for small families or couples, offering 2/3 bedrooms, a living/dining/kitchen area, and private pool and terrace for guest use. Detached Gîte: A fully self-contained home with 3 bedrooms, stylish living spaces, private pool, and its own garden and terrace, providing excellent privacy for guests. **Outdoor Space:** large gardens, mature trees, sunny terraces, and multiple private seating areas with hammocks slung between trees. **Pools:** Two well-maintained swimming pools, each dedicated to its own gîte. **Additional Features:** Plenty of parking, outbuildings for storage, and potential to expand or develop further (subject to permissions). The recently beautifully updated main house with its gites are situated in a peaceful rural setting yet close to vibrant market towns, historic bastide villages, restaurants, vineyards, and the Rivers Lot and Dordogne— offering a wonderful lifestyle with easy access to leisure activities, markets, and tourist attractions. The property benefits from excellent transport links, with Bergerac airport just 35 minutes away. **Business Potential:** Currently run as a gîte business (a future owner would need to obtain any necessary permissions and appropriate business registration).
