### Description:

Between the Dordogne and Saint-Emilion, this magnificent 18th-century castle, listed as a listed building, embodies the refinement of the French art of living. Upon entering, a majestic Louis XVI gate opens onto a perfectly symmetrical main courtyard, framed by two pavilions and period outbuildings. The main building, imbued with charm and authenticity, offers vast reception areas: an elegant dining room, a bright living room, and a large family kitchen. An adjoining guest house has its own living room, a dining room, and two comfortable bedrooms. Upstairs, three bedrooms with their own bathrooms complete the main building, while a fourth bedroom remains to be furnished. The landscaped park surrounds the residence and is enhanced by a swimming pool that invites relaxation. The estate covers 18 hectares, including 8 hectares of vines in production (50% red, 50% white) with the possibility of planting an additional 5 hectares. The renovated vat room, equipped with a thermoregulation system, and the caretaker's house add comfort and functionality. A rare place, combining prestige, authenticity and potential, ideal for a family home, a wine estate or an exceptional hospitality project.
