 Description:

Discover an exclusive residential development located on a paradise island in the United Arab Emirates, where contemporary luxury combines with the serenity of unspoiled nature. It is a unique refuge, marked by white sand beaches, turquoise waters, lush mangroves and a rare fauna made up of gazelles, flamingos and turtles, offering a truly privileged environment.

Among the residences available is an impressive 5 bedroom villa, designed for those looking for spaciousness, privacy and a sophisticated living experience. This property offers stunning views of the sea, has several leisure areas, ideal for entertainment and rest, and also has two interior bedrooms, dedicated to the maid and driver, ensuring total functionality and comfort. For greater comfort, the villa also integrates a lift, reinforcing the feeling of exclusivity in every detail.

The project features a distinct selection of properties, including 4, 5 and 6 bedroom villas, designed with generous areas, high quality finishes and an architecture that favours natural light and the harmonious connection between interior and exterior. Some residences have direct access to the beach or coastal promenade, while others offer panoramic views of the Arabian Sea, providing a sophisticated and tranquil living experience.

The island combines modernity and biodiversity, offering an incomparable lifestyle. Here you will find an 18-hole golf course integrated into the seascape, a vibrant marina with cafes, restaurants and social spaces, as well as a pedestrian shopping boulevard designed for the well-being of residents. The large preserved natural areas create a sanctuary where flora and fauna coexist with the comfort of a true private resort.

The location is highly strategic, being located just fifty minutes from Dubai and thirty minutes from Sharjah, allowing you to live in complete serenity without giving up proximity to large urban centres.

This is an invitation to join an exclusive residential enclave where nature, luxury and privacy come together in a harmonious way. For more information, detailed floor plans and unit availability, I am on hand to help.
