Location

The resort of Sveti Vlas (Sveti Vlas) Bulgaria is a small cozy town on the southern coast of Bulgaria. Sveti Vlas belongs to the Burgas region and is part of the community of Nessebar. The resort received the status of a city in 2006. But the creation of a resort area began here after the opening of a sanatorium for the treatment of lung diseases. In 1963, Sveti Vlas was recognized as a climatic seaside resort. Sveti Vlas is located at the junction of mountains and the sea, in the northern part of the bay, directly opposite the ancient city of Nessebar, listed as a specially protected UNESCO site. In the central part of the bay is the famous Bulgarian resort Sunny Beach, the northern edge of which smoothly merges into the first buildings of St. Vlas.
