Description:	

This charming ground-level villa consists of two bedrooms, an open-plan living room with kitchen, and one bathroom. Originally built in 2000 and fully renovated in 2015, it belongs to energy class B, ensuring energy efficiency and long-term sustainability. Nestled in lush greenery with unobstructed forest views, the property offers peace, privacy, and a strong connection with nature.

The outdoor space features a swimming pool, landscaped garden, storage area, and private parking. The property is equipped with aluminum window frames with insect screens, tiled floors, a tiled roof, security cameras, solar water heater, air conditioning, and full electrical appliances.

Located just 200 meters from the local village of Platanias, 8 kilometers from both Skiathos Town and the airport, and only 1,200 meters from the beach, this villa is ideally situated for either permanent residence or tourism use.

This is a rare investment opportunity, ideal for those looking for a peaceful retreat close to the sea, yet within easy reach of the island's amenities and attractions. Its features make it highly suitable for high-end short-term rentals such as Airbnb or boutique accommodations.

Available exclusively through our agency.
