Description:

Centuries ago, in the sheltered bay of Salir do Porto, skilled hands shaped the wooden caravels that would sail Portugal into the Age of Discovery. Guided by the stars, the legendary "marinheiros" ventured across unknown oceans, but their hearts remained anchored to these shores. The silhouette of the Sant'Ana Chapel high on the cliffs was the sight they longed for the image of home.

Today, that same spirit of homecoming lives on in ALDEIA DOS MARINHEIROS, a new, exclusive neighborhood of modern villas in a place where the rhythm of village life still echoes with tradition.

The villas are located in an exclusive setting on Portugals Silver Coast, in the village of Salir do Porto. A peaceful seaside community where nature, history and tradition create the perfect backdrop for a life connected to the landscape. Nestled where the Tornada River meets the Atlantic, this ancestral village is embraced by green farmlands and golden cliffs, offering rare tranquillity just minutes from famous beaches, the vibrant town of Caldas da Rainha, and only an hour from Lisbon.

Here, residents enjoy the calm of coastal living, the comfort of knowing their neighbours, and the simple joy of local traditions - from hiking breathtaking coastal trails to enjoying coffee at the village square.

Each villa in ALDEIA DOS MARINHEIROS is crafted to honour its surroundings. With three master suites, featuring en-suite bathrooms and built-in wardrobes, these homes offer privacy and elegance.

The open-plan kitchen and living area open directly to your private pool and garden, creating a seamless flow between indoor and outdoor living. The ground-floor suite is ideal for guests or family, while upstairs, two additional suites open onto a sun-drenched terrace, perfect for morning coffee or evenings under the stars. A guest bathroom, laundry room, and outdoor private parking for two cars enhance everyday living convenience.

Additional features include solar panels for energy-efficient water heating, natural stone staircases, and traditional "calçada" paving surrounding the pool area. Every window frames a picture of nature, filling the home with natural light and connecting you to Portugals more than 300 days of sunshine per year.

These Silver Coast properties celebrate the essence of Portugal: a strong connection to the land, the sea and to each other. More than a home, its a return to something deeply human.
