The main house is distinguished by its bright and well-designed rooms.

- Ground floor: you will find a double living room facing south, a fitted kitchen, and a first bedroom with its own shower room and toilet.
- Upstairs: the landing leads to three further large bedrooms, one of which has its own shower room. All the rooms are warm and bright, benefiting from excellent exposure and a practical layout.
- Above: The convertible attic also offers an opportunity for expansion to meet all your needs.

This property also includes two renovated Guest Gites, each with its own living room and kitchen, comfortable bedrooms, and modern bathrooms.

These cottages currently generate a rental income of €400 per week each, making them an excellent investment.

For your relaxation, a dedicated activity room with a wellness area has been fitted out, complete with a sauna, jacuzzi, and shower.

Outside, you'll find two garden sheds and two stone outbuildings offering additional storage or conversion possibilities. The spacious and well-maintained garden allows you to enjoy the peace and quiet of the countryside while benefiting from a private, secluded space.

An additional 3,000 m2 plot is also available for purchase. (Contact us for more information.)

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
