Description:

A Harmonious Lifestyle Investment in the Bukit – Fully Furnished Wellness Suites Surrounded by Ocean Vistas and Natural Tranquility
Pre Sales Price starting from USD 105,000 Until 2055 + 25 year extension option
Completion date: Q2 2028

Presenting an exceptional leasehold apartment opportunity in the serene coastal enclave of Bukit – Pandawa, one of the most promising lifestyle and investment destinations in the Bali real estate market. Priced attractively from USD 105,000 during the pre-sales phase, this fully furnished, thoughtfully designed 1-bedroom residence represents a refined blend of comfort, wellness, and intelligent real estate investment in Bali. The lease is secured until 2055, making it a compelling option for both experienced investors and first-time buyers exploring buying property in Bali. Set to be completed in Q2 2028, the apartment spans 32 sqm of land and building area, featuring an enclosed living space tailored for privacy and rest. Each unit includes a balcony with views of either the ocean, the pool, or the surrounding natural landscapes—an appealing feature for those seeking Bali residential real estate that harmonizes lifestyle with nature.

Just 3 minutes from Pandawa Beach, the property offers effortless access to one of the region's most picturesque stretches of coastline, often associated with Bali beachfront real estate experiences. Designed for holistic living, each suite includes a king-size orthopedic bed, an infrared lamp for daily wellness

rituals, a dedicated wellness fridge stocked with natural skincare and nutrient-based self-care products, a complete yoga and meditation setup, and a tea ceremony set, making it a sanctuary of health and restoration. A 10-year structural warranty and projected ROI of up to 6 years highlight its strong standing among investment properties for sale in Bali. Whether you are seeking luxury properties for sale in Bali, affordable Bali properties for sale, or a strategic entry point into Bali real estate for sale with meaningful rental appeal, this boutique development is designed to outperform. Its location, amenity focus, and wellness-driven concept align with current Bali real estate trends that prioritize lifestyle, sustainability, and long-term value.
