The room's simplicity and practicality make it a comfortable hub of the home.

To the rear, the kitchen provides a functional and well-laid-out space, fitted with base and wall units and space for appliances. A glazed rear door leads directly into the enclosed courtyard, offering a secure outside area ideal for storage, outdoor seating or small-scale gardening.

Upstairs, two well-proportioned bedrooms offer comfortable and flexible accommodation, with each room enjoying double glazing and a calm, neutral finish. The bathroom is positioned to the rear and includes a bath with shower over, wash basin, WC and heated towel rail. This is a neatly presented space designed for everyday convenience.
