Description:

Located in the heart of Quadronno, one of Milan's most prestigious residential districts, this exceptional 500 sqm two-level estate represents the height of contemporary luxury within a historic complex surrounded by Italian gardens. Just minutes from the Duomo, the Fashion District and Linate Airport, it combines privacy, tranquillity and prime accessibility in Italy's financial capital. The first level is dedicated to the sleeping area, featuring three spacious master bedrooms, each with an en-suite marble bathroom and bespoke walk-in wardrobes. The 50-sqm master suite stands out with a designer fireplace and private sitting area, while fine wooden floors and premium finishes enhance comfort and elegance. The second level hosts an impressive double living room illuminated by skylights and large windows, centred around a striking column fireplace. This floor includes a refined dining area, a fully equipped kitchen, a relaxation area and a soundproofed home cinema or study. Sliding glass doors open onto a 25-sqm terrace overlooking the lush internal gardens. A private spa with a heated mini pool, Turkish bath and gym elevates the property to a true urban retreat. Concierge service, 24-hour security, garages and exclusive amenities complete this rare Milanese masterpiece. Ref: 14495 <https://www.lionard.com/luxury-penthouse-spa-pool-milan-quadronno.html>
