Description:

These new-build apartments are in a prime location in Jávea, within walking distance of the sea and all essential amenities. Just five minutes away from the old town and the port, where you can enjoy wide range of restaurants and activities.

Property description

The modern flats feature two bedrooms, and two bathrooms, and a fully equipped open-plan kitchen connected to the living room which is connected to the outdoor terrace. The apartments offer excellent finishes with high-quality materials, providing each room with a harmonious and comfortable living environment.

All apartments are double-glazed and have hot/cold air conditioning system everywhere. The residential complex, located in a secure, gated community, features a swimming pool, a fully equipped gym, a social club and beautifully landscaped gardens.

Each apartment has an underground parking space and a storage room, both of which are included in the price. Prices for the two-bedroom flats start from €293.400. Three-bedroom apartments are also available.

Expected completion:

Phase 1 + 2 : June 2025 Phase 3: September 2025 Phase 4: May 2026
