ABOUT THE AREA

Jalon

Jalon is the capital of the Jalon Valley, also known as the Vall de Pop (Pop Valley), situated beside the River Gorgos, in a plain, surrounded by the Sierra de Bernia and the Sierra del Forner mountains.

Jalon boasts some of the most magnificent scenery in Spain, with its landscape of olive and pine trees, intermingled with orange groves and vineyards and its remote villages of Jalon, Alcalali, Lliber and Parcent. Jalon offers great shopping and some fantastic bars and bodegas to enjoy a nice glass of Jalon wine and watch the local world go by. This charming town with its handicraft shops, wine cellars and restaurants is a great town for those who wish to lap up local culture.
