Description:

A stunning Villa with Swimming pool set in over an hectare of landscaped gardens and the villa has 240m² living space, located just minutes from the refined charm of Aix-en-Provence and the IBS International School, Le Montaignet unfolds its wooded hills and Mediterranean scents. It is here, in this preserved haven, that an exceptional villa is hidden, surrounded by a one-hectare park where silence, serenity, and light reign.

- Ground floor: From the moment you enter, the space opens up and breathes. A vast 95 sqm living room, bathed in sunlight, seamlessly blends with the garden and swimming pool. Large bay windows blur the lines, inviting nature into the heart of the house. The modern and inviting American-style kitchen blends seamlessly into the home, becoming a hub for conversation, laughter, and shared meals. This level extends to an elegant bedroom with an en-suite shower room and dressing room, an inspiring office, and a laundry room connected to the double garage, which can easily be converted into a self-contained studio.-

- Upstairs: two tranquil bedrooms offer a peaceful retreat, each sharing a bathroom. A wine cellar awaits connoisseurs of fine wines and precious moments in the basement. Modern comfort, ensured by air conditioning, is available year-round.

- Outside: the charm intensifies: a summer kitchen with an adjoining shower room provides a perfect setting for al fresco dining. Surrounding it, the swimming pool shimmers like a mirror amidst a hectare of lush greenery, offering tranquility and privacy at every turn; and because this house embodies the future, it still offers the possibility of a 40 m² extension. Powered by a well, it combines elegance and self-sufficiency in a natural setting.
